re: HORNE

I examined the above as to his means to-day in the Magistrate's Chambers and this examination revealed that while he earns £30 a week he has a wife and three dependent children and various outgoings including payments on a motor vehicle totalling approximately £25 before the sustenance of his family was taken into account.

Under the circumstances I feel that there is little that can be done other than to accept his offer of £1 a week provided it is paid regularly.

Dear Sir,

After the meeting of the Committee held on the 29th.ultimo,a member who has consistently passed irritating and personal remarks,passed the remark that "he was surprised you are here tonight" he also passed remarks to you about the evening meeting.(indirectly)

Next day another member walked passed me and remarked loudly "that was another Secretary who got away with money" or words to that effect,this member passed several remarks similiar during the evening.

I have instructed the Bar Staff not to give service to the last member,and in both cases I have laid a complaint to the Club Committee.

I consider that my position is completely intolerable,and wish that the Committee would relieve me of control of the conduct of the Members. For the period I have been Secretary of the Club with varied degree I am a person who is being attack ad-lb verbally by a small number of members.

This conduct is having a serious effect on myself and my Club duties.

I also under the circumstances consider that it is undersirable for me to be a Member of the Club.

To the Sec. Buffalo Club. Fremantle.

Am asking you in this letter to tell the bar tenders at Club not to serve my husband (Bill Linton) with so much drink. He comes home so drunk on a Friday night & having had plenty Saturdays as well. Only this last Friday week 2 Chaps (Strangers) brought him home & so intoxicated he could not stand, they found him fallen down at bus stop in Fremantle & unable to get up, so got him into a taxi & brought him home, I got him to bedroom where he fell again & there I had to leave him. This Same thing happened only some few weeks back & as the chaps said if they had not picked him up the police would have & taken him to Station & I am saying if this should happen & the police do collect him one night I'll certainly let them know where he was served with so much drink & that its happened on many occassions. On both drunken driving charges, he came from club & got into his vehicle. The bar tenders must see he is in club for hours (leaving only at closing time) & to get so intoxicated must be served with much drink. & if refused more when they know he has had plenty & advised to go home he would get -! I am alone none of my children near to help at these times, he is so difficult to put up with & so abusive to me. All the bad nerve condition I'm suffering from has been caused through this rotten business. He spends so much especially now has a lot to payout & its just a "hand to mouth" existence. A Policeman will go into an hotel & if sees a man has had quite enough will tell him to leave & order that he is served with no more, apparently this does not happen in Club.

The President,
Fremantle Buffalo Club,
FREMANTLE W.A.

Dear Sir,

For the purposes of record,I beg to inform you that as from today I cannot agree to conduct any Club raffles,sweepstakes etc.

There have been recently incidents of interference with the conduct of sweepstakes by members of the committee.

It has been a rule of the Club that without permission of the Secretary or Committee no outside organisation shall conduct,solicit etc.tickets for sweepstakes on the Club premises.

The position is that now persons over the head of the Secretary receive permission to conduct sweepstakes etc on the club premises.

Representatation to the club committee by myself has only resulted in a reception of some degree of hostility and it appears that there is some amount of dissatisfaction expressed by members of the Committee.

Yours faithfully,

F.S.Maybank.

Dear Sir,

Consequent upon payment of your cheques, the debt of the Club stands at $13,529.21, which is well in excess of the approved overdraft limit of $13,000. It is noted that the debt has increased by almost $1,000 in the past month.

In view of the adverse trading results disclosed by your last balance sheet, we would be averse to any further increases in your overdraft limit, which, as you know, has been increased by $1,500 in the last 12 months.

Would you please discuss the present position with your Committee and advise us your proposals for account operation within the approved limit.

Dear Mr. Maybank,

Thank you for the copy of the Club's Balance Sheet for the year ended 31st May, 1967, which unfortunately discloses a dismal trading year. It is not my intention to analyse the reasons for this, as these would be known to you, except to say that after allowance for non recurring expenditure on premises and plant the past year showed an adverse trading trend of about $3,000. This is disturbing in view of the increase in overdraft limit made during the year to $13,000 to enable you complete your repainting and our expectation of annual repayment at rate of $1,000.

With the need to service the debt to the Bank it will be obvious to you that any further expenditure will of necessity have to be deferred until the Club can return to a profitable trading basis. No doubt you have some measures in mind to achieve this.

Yours faithfully,

Manager.

Dear Mr. Maybank,

We are pleased to advise that the Bank has agreed to increase your Club's overdraft limit to £6,750- as requested in your letter of the 2nd April, in view of the long past association with the Bank.

Concern was expressed at the present trading deficiency and it is hoped that the measures recently undertaken by yourselves will prove successful. The Bank have requested that you be advised that unless profitable trading can be obtained to ensure a reduction of your overdraft limit in twelve months time, you should seriously consider other measures to repay the Bank debt.

In perusing your Balance Sheet, I noticed a long outstanding liibility of £500- under 'Building Fund Account', and enquire what steps are in mind to be rid of this liability.

Yours faithfully,

Dear Sir,

In the past twelve months the Bar Trading of the Club has shown a considerable decline.

The Club Committee is undertaking a reorganisation on the lines of a reduced Club subscription and a more popular price for the charge for beer, in an attempt to popularize the Club and increase membership.

To meet outstanding liabilities of some £600 and contingencies for the next twelve months we would be grateful if our overdraft could be extended to an amount of £6,750.

At the moment staff has been reduced giving a saving ofx some £500 per annum.

Dear Sir,

Thank you for the Club's interim trading statement covering the 6 months period to 30.11.64. It is noted that although gross profit margins showed a welcome increase, your Club has not been able to return to a profitable trading level.

We must remind you of our last letter of 10.4.64, when it was stated that unless profitable trading could be obtained to ensure reduction of your debt to the Bank, other measures would of necessity have to be taken.

We trust that the unprofitable trend already indicated to 30.11.64 can be reversed in the latter 6 months of your trading year.

Dear Sir,

Today I received notice from the Fremantle Health Authority requesting certain improvements to be carried out to comply with their by laws, I have notified them that it is my intention to cease business on the 2nd of March which is the limit they have given me to carry out the necessary improvements, I do not intend to comply with their requests.

When applying for renewal of the lease I did offer to carry out improvements at a reduced rental, however you would not accept and grant a lease, I am only operating on a weekly rental, under the circumstances anyone spending money on your premises wouldn't be right in the head.

I cannot at the moment give notice of a definite date

Dear Sir:

As my lease expires on the 30th inst.

improvements.

I am prepared if you are agreeable to granting a renewal for ~~three~~ (3) years at a rental of £5/1/- per week, to carry out repairs to the front of the building where the brickwork has broken away under the window and paint the front of the building, also paint and carryout repairs to broken plaster on the interior walls, replace broken window at the side of the back room and above the door, It is my intention to remove the gas stove from it's present position to the back room, and use this portion as a kitchen thus leaving the small room which is now used as a kitchen, to be closed off and used only to house the refrigerator motor.

These improvements I would be prepared to do within 6 months of granting the lease under the conditions set out above. I feel that the premises in their present condition would be very difficult to lease at the amount of current rent charged or even with a considerable amount of money spent on them, I am prompted in mentioning this by the fact that I have had my business for sale in the hands of a number of agents at a very low price to quit it,

Dear Sir,

As you are no doubt aware the North Cottesloe Surf Club had eight of its members selected in this years team, to compete in the Australian Surf Championships in Tasmania.

Due to the distance between here and the venue, we will have to raise nearly £300. in three weeks, (by the 22nd of February) for the teams fares, and we feel that without the support of interested bodies, we will be unable to send, what we think, will be a winning team to Tasmania.

Hoping you can see your way clear to assist us in our efforts.

Yours faithfully,

Dear Sir,

With the introduction of Long Service Leave in this State, it has become increasingly necessary for employers to make suitable provision for this future liability, which unless kept in mind, could cause embarrassment at a later date.

Deposits could be made regularly to a Long Service Leave Provision account on which we can allow interest at 3% per annum at present, or alternatively Interest Bearing Term Deposit account with a maximum rate of 3½% for a 24 months term, which is the ruling rate at present.

Should you wish to discuss this, or the matter of setting funds aside for Taxation reserves etc., we would welcome the opportunity of personally explaining the idea in detail.

Yours faithfully,

Dear Sir,

The rehabilitation and welfare of our paralysed members is becoming an ever increasing problem of finance.

Whilst realising your Club probably has its own problems, my Committee thinks that you may see your way clear to allow a small collection box to be placed in a convenient position on your club premises. The box is only 5" x 3" x 2½" therefore would not be unsightly.

We have never ventured into this field of collecting before but, with your approval, will guarantee to replace the box each four weeks to ensure no worries regarding contents.

Will you be good enough to place this request before your committee and we shall look forward to a favourable reply.

Yours sincerely,

Victor Smith

I have recently been the organiser for the Fremantle Buffalo Club's monthly social, which is held on the unlicensed part of the premises.

These socials have been organised by the Club for some years without objection from the police department, they are private affairs not open to the public.

I am making an appeal on behalf of the eight (8) W.A. Hockey Girls who have been selected to represent Australia at the World Tournament in September this year at Baltimore U.S.A.

Each girl has to raise approximately £600 and we are making this appeal to the sport minded people of W.A.

It wou ld be greatly appreciated if your Club will help us, and we suggest perhaps the commencement of a "Penny Pile." A "Pile" at Midland is at present being successfully conducted.

If you are agreeable to this suggestion would you please let me know at the above address.

Hoping for a favourable reply.

Mr.Powel spoke to the secretary of the Club more than once after his accident and was informed that he would not be starting work at the club again,he was also informed that the reasons would be furnished to him when he furnished us with his medical clearance certificate.

The reason for not discharging Mr.Powel was that it is not cusromery to discharge any employee while away sick or through an accident.

When Mr.Powell called at the Club office with his certifcate of medical discharge certifcate he was discharged from the employment of the Club for taking liquor without paying for same in fact Brandy,and not being in a fit condition to undertake his duties. Two other witnesses

He also was told that during the period of his employment with the Club July 17th.to December 6th 1962 there had being shotages in the bar takings of approximately £16.0.0 but he was not being discharged for this.

We would state that at no time has Mr.Powell been accused of stealing monies from the Club.

Reported to Mr.Long the President

Checked and found report true by myself, reported same to Mr.Long.

Would have been discharged because of this on the evening of the 6th. at finish of Powell's shift.

Shortages in till occured a number of times ,Mr.Powell offered to make difference up before ,this was refuesed as it was felt that a mistake was made,no dishonesty XXXXX Mr.Powell's general behaviour was consistent with the actions of a person drinking heavy. at the time we considsdered Mr.Powell was a neurotic and needed help and could become a good employee.

Letter ?? ~~entitled~~ -- no need ~~for witnesses~~

He was informed that he would not be required - but
He was difinetely told accident was his business to state.
reason not discharged was that not customery to discharge while absent sick or accident
Medical certigicate not presented-- medical certificate states accident.

Any shortages are the responciblty of the employees handling the money and in one particular case ;the two bar staff (powell) handled the money.

Mr.R.E.Pearce,
66,Adrian Street,
PALMYRA WA.

Dear Mr.Pearce,

In reply to your letter dated October 1962,I feel that both my Committee and myself have been unfairly,unjustly and unwarrantedly criticised by you.

During my membership of the Club I have never known the management to be indifferent on the occasion of the passing of a member,in fact quite the opposite is the rule.

Recently you will recall we lost a very esteemed individual in the passing of Mr.Leo Francis(who incidently was not a member).When the news was conveyed to the Club all Members present were advised and asked to stand in silence for a brief period. Notices were inserted in the W.A.newspaper,and a wreath was sent to the cemetery,all Executive Officers were present at the funeral and a letter of condolence mailed to Mrs Francis.

If in your opinion this constitutes indifference then I have nothing to add.

Your second complaint re flying of the flag.Our National flag is usually flown on the occasion of the demise of a leading citizen or members of government etc.,however this matter is now under discussion by my committee so it would be inadvisable to comment further at this stage.

Thirdly,the duty steward is in full charge of the Club when the Secretary is off duty and has the authority to co-opt assistance if he so desires. You would admit it would be very difficult for us to anticipate an unexpected increase of custom.

Finally you may put your mind at rest respecting loss of members. Our membership has been increasing steadily for some considerable time with corresponding increase of turnover.

We thank you for your correspondence and concern shown for the welfare of the Club,and hope that this letter will in some measure enlighten you as to its conduct and management.

Yours faithfully,

For and behalf of the Committee

The President & Committee
Fremantle Buffalo Club.

I wish to protest against the continued indifference of the management of this Club in two important matters.

I. The lack of respect shown a deceased brother. It is customary in this country, when facilities are available, to fly the Flag of our Country at half mast prior to funeral rites. Why does this Club neglect so to honour its members.

II Why is the duty steward given no assistance when there is an unexpected increase of custom? Disatisfied customers means a loss of members next year.

May the members receive assurance that these complaints will be rectified? Thanking you gentlemen.

Please convey to the President & his Committee this my letter of Resignation from the Committee of Management.

In the near future I shall be unable to be in frequent & regular attendance at the Club. As this is essential in a Committee man I do not intend to nominate at next election.

My chief reason for not completing my term of office, is that I find it very inconvenient to attend a meeting of a Thursday night.

The second is personal, ~~but~~ but in view of my main reasons for resigning — that of difficulty in attending — & the possibility that through illness & shift work the committee could lack a quorum, it is better that I should be replaced.

To Secretary Buffalo Club,

Dear Sir,

I have been requested to write to yourself & committee re the hiring of your piano for our annual Picnic on Sunday Feb 7th commencing 10-30 am. The reasons for asking is though we have one of our own it is upstairs, & heavy to handle & the last two times of using have resulted in minor accidents incurred by carrying down the steep staircase, & we feel loath to attempt it again, [illegible] I will have to hire, we hoped that the little revenue would help if not in use. Will guarantee all breakages & damage to be paid for.

Hoping for a favourable reply in this matter

Dear Sir and Brother,
I have just received a telegram from you re-directed from Williamstown, Victoria saying that the cheque, for £22-0-0 which I sent 12 April had not been received.

Owing at the time, to the fact that the other co-signers of cheques were on leave, I could not sign one by myself & it was necessary to purchase a bank cheque after our next meeting, which was done.

I hope that the cheque has now been received.

I have also written to the Lodge, informing them of your telegram, as the particulars of the cheque purchased were recorded on the typewritten duplicate of the letter I sent you, also inserted against the items in question, in the Lodge's Financial Statement Book.

CLEANING OF BEER DRAWING EQUIPMENT:

BEER LINES

Notify Licensee before starting Lines; find out which lines he would like cleaned first. If Temprites, Coldflows, in use make sure the liquid line **(Thin Line)** is shut off.

All beer lines should be flushed out daily with clean cold water, and thoroughly cleaned once a week with a sterilizing solution of Trisodium Phosphate; 2 level tablespoonful to 3 gallons of water. This quantity should be sufficient for 1 Temprite (2 taps).

EXTRACTORS

All extractors should be taken apart and cleaned **at least** once every week. Use a sterilizing solution of one tablespoon of Trisodium Phosphate to each gallon of warm water. Use the extractor brush in the stem of the extractor. When re-assembling the extractor, check all washers and replace any that are worn or out of shape. Dry and hang up in clean dust free place.

TAPS & TAP BRACKETS

All beer taps should be removed and cleaned once every two weeks. Taps should be taken apart and washed in a solution of 1 tablespoon of Trisodium Phosphate to each gallon of water. Use tap brush in the stem of the tap and tap brackets. When re-assembling the tap, check and replace any worn washers. (Use only white vaseline as a lubricant). Taps and lines not in use to be cleaned **at least** once a fortnight and left dry.

CLEANING WITH STERILIZING PUMP:

A sterilizing pump and a **3 gallon** bucket or other container. Buckets to be kept **only** for cleaning beer drawing equipment.

Flush beer line well with cold water. Place two level tablespoons of Trisodium Phosphate into the bucket or container and fill with cold or warm water, **never** hot. Mix well. This quantity is sufficient for 1 Temprite (2 taps).

Place suction end of pump into bucket or container of solution and connect beer line to outlet hose end of pump, using special tap boss connection supplied by the Brewery for this purpose. Open beer tap and pump solution through beer line until it runs freely then close beer tap and allow solution to lie in beer lines for 30 minutes.

Open tap and pump remainder of solution through the beer line. Now before flushing with cold water, give line a dry blow. This is done by holding suction end of pump hose in the air and pumping in short sharp strokes. This creates a surge effect in the beer line and will remove any surplus residue in the line. Now flush well with clean cold water.

The Sterilizing Pump system is best for all beer lines.

NOTE:

Use only white vaseline for lubricating Sterilizing Pump.

STEP BY STEP PROCEDURE FOR STERILIZING PUMP:

1. If instantaneous cooler, shut off liquid line **(Thin Line).**
2. Flush beer line well with clean cold water.
3. Place two level tablespoons of trisodium phosphate in 3 gallon bucket or other container. This quantity is sufficient for 1 Temprite (2 taps).
4. Fill bucket or container with warm water. Mix well.
5. Place suction end of pump hose in bucket or container.
6. Connect beer line to pump outlet hose using special tap boss supplied by the Brewery for this purpose.
7. Open beer tap.
8. Pump until solution flows freely from beer tap.
9. Close beer tap.
10. Allow solution to remain in beer line 30 minutes.
11. Open beer tap and pump the remainder of solution through line.
12. Dry blow by holding suction end of pump hose in air and pumping in short sharp strokes.
13. Flush beer line well with clean cold water.

When cleaning with 3 gallon sterilizing can, similar procedure is adopted.

Make sure to **shake** well after Trisodium Phosphate is added.

Dear Sir,

Def 4754 Income Tax.

I am in receipt of yours of the 16th. October - wherein you make reference to the Company being Assessable on Rents and Interest to the Extent of £ 223. This however is not so.

(a).. In the first place from the Rents Received - the following deductions are allowable: -

Council Rates, Water Rates, Land Tax, Insurance and Repairs Etc -

(b).. The Rents received Constitute practically Rents from a Shop in High Street, Fremantle - therefore the above deductions are allowable.

(c).. In regard to paragraph 3 - your attention is drawn to the fact that the Fremantle Buffalo Club is not a Limited Company - Some twelve (12) years ago application was made to the Supreme Court, Perth, for the removal of the word "Limited" - and this was agreed and sanctioned by the Judge who at that time heard the Case.

(d).. Since the consent of the Judge that the word "Limited" be removed from the name of the Club - the Club is known as the "Fremantle Buffalo Club".

(e).. Your request as to supplying details of the issued Capital cannot be complied with - because Share Capital does not apply to the Club.

(f).. To become a full financial Member of the Club you must belong to the "Order of Buffaloes" - and the Annual subscription is £ 1-10-0 per year.

Dear Sir,

INCOME TAX.

With reference to your letter dated 3rd August, 1956, you are advised that for the purposes of the Income Tax Act, a club is a company. By definition, "Company" includes all bodies or associations corporate or unincorporate, but excludes partnerships.

2. Under the Act a social club is assessable on income from rents, interest and dividends, but not on the surplus income from members annual subscriptions and other contributions from members, nor from the income arising from the ordinary activities of the club, carried on for the benefit of members.

3. To enable this department to determine whether or not, the club is assessable to Income Tax, it should submit a copy of its final financial accounts and balance sheet for the year ended 30th June, 1955, or its alternative balancing date, together with a copy of the club's constitution and rules.

Mr.D.J.Young,
14,Dearle Street,
HAMILTON HILL W.A.

Dear Mr.Young,

The writer in the past has occasion to speak to yourself regarding damage caused by placing your feet on the walls of the Club.

When spoken to your a statements and manner indicated,showed very plainly an antagonism and hostility.

On Sunday the 13th.instant you and your friends used the billiard table,on leaving the walls under the bar were in a disgusting state.

May we respectfully request that you at all times treat the Club premises with due regard and also may we point out that the Club secretary or his deputy represent the Club and shall be at all times treated accordingly.

Trusting you will treat this letter seriously.

Yours faithfully,

F.S.Maybank,
Secretary.

The Secretary,
Fremantle Buffalo Club,
54 High Street,
FREMANTLE.

Dear Sir,

I hereby wish to make application for a reduction in rent on the premises at 58 High Street, Fremantle.

This being a lock-up shop, £7. 15. 0. p.w. is above the average rental in this part of Town.

I find that the existing rental plus normal overhead expenses, is presenting a hardship in trying to make the business a profitable one.

I therefore hope you can see your way clear to make a reduction of £2. 15. 0. p.w. on these premises.

Dear Mr Maybank,

I duly received your letter of 22nd Inst, and wish to thank you very much for allowing me to retain my membership under such favourable Conditions. Would you please express my appreciation to your President & Committee also. It is very gratifying to know that the older members of the Club are not entirely forgotten!

Wishing you & the Club every Success & the Compliments of the Coming season.

Yours faithfully

Reg Pointer.
